

Correction to “Hierarchical geostatistics and multifacies systems: Boise Hydrogeophysical Research Site, Boise, Idaho”

Warren Barrash and Tom Clemo

Received 26 September 2005; published 10 November 2005.

Citation: Barrash, W., and T. Clemo (2005), Correction to “Hierarchical geostatistics and multifacies systems: Boise Hydrogeophysical Research Site, Boise, Idaho,” *Water Resour. Res.*, 41, W11702, doi:10.1029/2005WR004616.

[1] In the paper “Hierarchical geostatistics and multifacies systems: Boise Hydrogeophysical Research Site, Boise, Idaho” by Warren Barrash and Tom Clemo (*Water Resources Research*, 38(10), 1196, doi:10.1029/2002WR001436, 2002), equation (4) is incorrect. The results and conclusions presented in the paper are unaffected by this error because it is a typographical error only.

[2] The correct form of equation (4) is

$$\gamma(h) = c_0 + c_1[1 - \sin(h/a_1)/(h/a_1)] + c_2[1 - \sin(h/a_2)/(h/a_2)] \quad (4)$$

The previously printed form of equation (4) did not include the factor (h/a_1) in the denominator within the second term on the right side of the equation, and it also did not include the factor (h/a_2) in the denominator within the third term on the right side of the equation.
